

5 FOUNDATIONS TO DEVELOPING BASIC SIGHT-SINGING SKILLS

Co-presented by

10 AM – 12:30 PM

Do you want to learn how to read basic music and hear the notes in your head before you ever make a sound? Then this course is for you! It's designed for those who have never read music before. Come and discover 5 Foundations that will have you reading music (notes and rhythm) in 2.5 hours. No prior experience is necessary. If you are super keen, you can even join us for the follow-up session:

7 WAYS TO *improve* YOUR SIGHT-SINGING SKILLS

2 PM – 4:30 PM

Come and discover 7 tools that will help you to sight-read choral music more quickly. Learn how to hear the music in your head before you ever sing it out loud. There are just a few steps that you can take to become a confident and independent singer. We will cover everything from understanding how scales work to becoming proficient at reading rhythm. All in 2.5 hours!
