Alumni of the BCCF “Choral da Capo” — Choral Directorship Course (CDC) are invited to sign up for complimentary one-on-one coaching sessions (maximum three sessions per individual) with some of BC’s leading choral professionals. This is a great opportunity to follow up meaningfully and at your own pace on the work we started at the CDC, and is an excellent use of this COVID-restricted time. This offer is exclusively for alumni of the CDC.

Enroll today and be matched up — at no charge to you— with one (or more!) of the following clinicians: Morna Edmundson, Jim Sparks, Brigid Coult, Sandra Meister, Diana Clark, Carrie Tennant, Sarona Mynhardt or Willi Zwozdesky.

Coaching times will be set by mutual arrangement with the clinicians, on-line or in-person as restrictions and circumstances allow.
